

How do I place my order?

1 REGISTER

for our program by filling out and sending the attached registration forms.

2 SEND

your prescriptions to our toll free fax or by mail.

3 WAIT

for your medications to arrive at your home.

It's that easy!

Can your service lower my medication costs?

Many Americans like yourself are saving hundreds, even thousands of dollars through our service.

By joining our program, you too will be able to purchase the same medications that you are currently taking at considerably lower prices.

How do I order refills?

Simply order refills by calling customer service toll free at 1-866-481-5817.

What if I have a question about my medications?

Just call our friendly and knowledgeable pharmacists and they will be pleased to assist you.

Where do I obtain current prices?

For up-to-date pricing call customer service at 1-866-481-5817 or visit www.medicationscanada.com.

When will I receive my order?

We promptly process your order upon receipt of your prescription. Please allow 10-14 days for delivery for orders faxed in, 18-21 days for orders mailed in.
