Testimonials

“I can’t tell you how wonderful the service has been from Medications Canada. I spoke directly to a pharmacist to discuss my medications and she was knowledgeable, friendly and caring. The money I saved plus the good service has been such a dream come true. Now I can afford to take my medications and not worry about the price.”

Linda, CALIFORNIA

“Until I found out about Medications Canada I used to travel by bus to Mexico to get my medications. It turns out it was cheaper for me to call Medications Canada and now I know my medications are being handled by a licensed pharmacy. It’s a great program to be enrolled in.”

Jenny, ARIZONA

“As a physician licensed in both Canada and the United States, I have found the staff at Medications Canada very helpful for my patients. The price savings are substantial and my patients have commented on the exceptional savings plus great service. It’s a long awaited program that has become a reality for many of my patients.”
